Mr. J. E. Curry Chief of Police

Sir:

Re: Interview of Reserve Officer, Patrolman Jimmy D. Brockway, 398

On Movember 30, 1903 Reserve Officer, Patrolman Jimry D. Brockway was interviewed by the undersigned officers as to any information he night have concerning the shooting of Lee Harvey. Oswald which was not covered in his original report dated Movember 27, 1905.

The only discrepancy found in his original report is that he reported on duty at approximately iiil a.m. instead of 11:25 a.m. as originally reported. Be further stated that he entered the Folice and Courte Building via the basement doors on the Commerce Street side and that there was no one on duty at these reserve officer on duty on the sidewalk just outside these doors. Brockmay does not remember who this reserve officer was.

Brockway further states that he has not been contacted by any federal agency at this time.

Respectfully submitted,

J. J. Cornwall F. I.Cornwall, Lieutenant Special Service Bureau
